Commander's Corner

Comrades, Brothers, and Sisters,

November is a special month for all of us at VFW Post 6287. With Veterans Day, Thanksgiving, and several important Post activities ahead, we have much to celebrate and much to be thankful for.

First and foremost, our 48th Annual Veterans Day Parade is taking place onSaturday, November 7th, beginning at 11:00 a.m. After some uncertainty about whether the parade would take place this year, I'm pleased that our community has come together to keep this longstanding tradition alive. I encourage every veteran to come out, participate, or simply enjoy the parade as our community recognizes those who have served our country. Following the parade, the celebration continues with our Veterans Day After-Party at Post 6287. We'll be presenting parade awards, along with raffle baskets and a lotto board to help support our efforts. Bring your family and friends, enjoy the fellowship, and help us make this another memorable Veterans Day celebration. Thank you to everyone who has worked so hard to bring the parade together.

As we observe Veterans Day on November 11th, I ask everyone to reflect on the meaning of this day. Whether you served during wartime or peacetime, every veteran answered the call to serve our nation. Veterans Day belongs to all who wore the uniform, and it is our opportunity to recognize their service, sacrifices, and continued contributions to our communities. Later this month, we'll gather for our Thanksgiving Dinner at the Post. Thanksgiving is an opportunity to appreciate our friendships, our families, and the camaraderie we share. For many veterans, our Post is a second home, and events like these remind us why that sense of belonging is so important. I hope you'll join us. November is also when we'll be judging submissions for our Patriot's Pen, Voice of Democracy, and Teacher of the Year programs. These programs encourage patriotism, recognize outstanding educators, and engage the next generation. Thank you to everyone who helped promote them and to those participating in the judging.

A couple of important meeting reminders: Our November Post membership meeting has been moved from Wednesday, November 11th to Wednesday, November 18th, to avoid holding our regular meeting on Veterans Day. Our House Committee meeting has also been moved to Monday, November 16th. Both meetings will be held at their regular times and locations. Our next District 12 meeting will be on Saturday, November 14th, at VFW Post 8108 in Riverview. I encourage our officers and interested members to attend. Staying involved at the District level strengthens relationships with neighboring Posts and keeps us informed about VFW activities.

As we move toward December, we'll also be preparing to observe Pearl Harbor Remembrance Day on December 7th, honoring those who lost their lives during the attack that brought our nation into World War II.

Finally, I want to express my sincere appreciation to everyone who continues to donate, volunteer, and support Post 6287. Whether you're helping with an event, working behind the bar, maintaining our facilities, or contributing financially, you make a difference. I'm also especially pleased to see some familiar faces returning to the Post after being away for several years. To those members, welcome back! We're glad to have you with us again. Our success reflects the dedication and generosity of our members, Auxiliary, Riders, and supporters.

Wishing everyone a wonderful Thanksgiving and a meaningful Veterans Day. Thank you for your service and for everything you do to make Post 6287 a place we're proud to call our own.

Camaraderie is our product. Strong veterans and a stronger Post are the outcome.

Yours in comradeship,
Paul Maynard
Commander, VFW Post 6287

Letter from the Auxiliary President

Dear Members,

The Month of October flew by. On Friday, October 23rd I had the privilege of helping the riders with the Fish Fry. Then on Saturday, October 24th we went to Haley's Cove and held a luncheon for the Vets.

The spaghetti dinner was also held on October 24th and was a huge success. We served dinner to a lot of hungry members and their families and guests. After the dinner we drew the 50/50 winning ticket. Then we drew all the winners for the baskets.

On Saturday, October 31st the Auxiliary will have a Halloween party for the kids from 1pm to 3pm. That evening at 7pm the Auxiliary will hold a Halloween party for the adults.

In November, our first event is the Veterans' Day Parade. It will be held on Saturday, November 7th. It will start at 11 an.m. and run north on Hwy 41. After it is over we will be having a huge after party at the Post. The Post is sponsoring a lotto board. The winning ticket will be drawn on that day. There will be live music and a lot of fun for all. The kitchen will also be open for those that want something to eat. The party will run all day and into the evening.

Because Veterans Day falls on Wednesday, November 11th, we have moved our monthly Post meetings to the 18th . This change will be just for November. The joint meeting will be at 6:45pm on the 18th and the separate meetings will follow at 7 p.m.

Our next event will be the Thanksgiving Dinner on the 24th. It will run from 1-3 p.m. We will be serving turkey, ham with all the fixings. It is open the members and the public.

Remember all the regular things that are going on, such as. Gameday every Sunday. Wings on Tuesday and Fish Fry on Friday just to mention a few.

Thank You to our Auxiliary members for all that we do for our Vets.

Thank You,
Ned Letts

VFW Post 6287 Riders Group

November got off to a strong start with the return of our Friday Night Fish Fry.

We've been seeing record attendance, and the energy has been great. Come hungry—it's still just $10. We'll be serving from 5 to 7 p.m. at the Post. Stay for the entertainment afterward, and you just might get lucky with a fried surprise dessert.

The Riders also hosted a BBQ at Haley's Cove, where we served more than 100 veterans, staff, and family members. It was a good day of food, fellowship, and support. We'll be back at Haley's Cove next quarter, and everyone is welcome to join us.

A few of our members also made the trip out to Daytona for Biketoberfest. They came back with stories and a few more miles under their belts.

Proud of the turnout, the work, and the miles this month. See you Friday at the fry—and on the road.

Respectfully,
President, VFW Riders Group

The Importance of All Saints Day and All Souls Day for Veterans

Dear Members of VFW Post 6287,

May the grace of the Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you all. As members of the VFW, we recognize the importance of honoring those who have served and those who have passed from this life. In the U.S., this is done in May during Memorial Day. Similarly, in the Christian tradition, two significant holidays in early November remind us of the sacred duty to remember and honor the dead: All Saints Day and All Souls Day. On a personal note, November is the month when my family displays photos of all of our deceased family members. We remember to pray for them as we pray; they pray for us.

All Saints Day, November 1

All Saints Day is a solemn feast in the Church that honors all saints, both known and unknown, who have entered into Heaven. While some saints have specific feast days, this day is set aside to honor all holy men and women whose lives of virtue and faith serve as an example for us to follow. They may not have been officially canonized, but their souls are united with God in eternal glory. For Christians, the saints provide inspiration. Their lives remind us that holiness can be achieved in various vocations and walks of life, including military service. Many saints were in the military themselves, such as St. Michael the Archangel, the patron saint of soldiers; St. Sebastian, Roman Commander of the Praetorian Guard, who was martyred for his Christian faith; St. Joan of Arc, a young woman who led armies into battle; and St. Ignatius of Loyola, the soldier turned priest and founder of the Society of Jesus. All Saints Day is a powerful reminder that we, too, are called to live lives of virtue, service, and self-sacrifice, just as veterans have done for their country.

All Souls Day, November 2

While All Saints Day celebrates those who have attained Heaven, All Souls Day is dedicated to praying for the souls of all the faithful departed who are in Purgatory, undergoing God's loving purification before entering Heaven. Our prayers, sacrifices, and Mass offerings can help these souls in their journey toward eternal rest. For veterans, this day holds special meaning. Many of us have lost comrades-in-arms, and All Souls Day offers us an opportunity to remember them in prayer, asking God to grant them peace and eternal life. As we gather to honor the dead, we can find comfort in the belief that death is not the end and that through prayer, we remain spiritually connected to those who have passed.

A Time for Reflection and Unity

These two holy days invite us to pause and reflect on the connection between the living and the dead. All Saints Day reminds us that those who lived lives of heroism and holiness continue to intercede for us, while All Souls Day reminds us of the duty to pray for those who have died, especially our fallen brothers and sisters in arms.

For our VFW Post, these days are an opportunity to unite in prayer, honor the dead, and find strength in the examples of those who went before us. As veterans, we know the cost of sacrifice and service, and as people of faith, we are called to continue to pray for all souls, trusting that God will reunite us with them in His time. In observing All Saints and All Souls Days, we honor not only the memory of our loved ones and fellow veterans but also our deep connection to the Communion of Saints a spiritual family that transcends life and death.

Happy All Saints Day, All Souls Day, and Happy Veterans Day! God love you!!!

Yours in Christ,

The Bonney Family: Three Lives, Three Wars, One Legacy of Service
Service to our nation often runs deep within a family, passed from one generation to the next through examples of courage, sacrifice, and devotion to duty. For the Bonney family, that legacy spans World War II, the Korean War, and Vietnam. It is a remarkable story of three individuals who answered the call to serve during some of the most challenging periods in American history.

Charles Jackson Bonney, Sr. began his military journey after graduating from Michigan State University, where he spent four years in the ROTC program. Commissioned as a second lieutenant in the U.S. Army, he initially hoped to become a pilot in the Army Air Corps. Although his eyesight prevented him from qualifying, another opportunity awaited him in aerial reconnaissance and photography. During World War II, Charles was stationed in Port Moresby, New Guinea, where he participated in aerial reconnaissance missions over suspected enemy positions. The photographs gathered during these dangerous flights were analyzed to identify targets and help plan bombing missions. His work provided valuable intelligence to American forces fighting in the Pacific. Following World War II, Charles continued his Army career, eventually serving three years in Korea during the 1950s as a captain. He retired after 22 years of military service with the rank of major. Charles passed away in 1996 at the age of 81, leaving behind a distinguished record of service.

Jane Campbell Meyers Bonney demonstrated a different but equally important kind of courage. After completing nursing school and earning her Registered Nurse degree, Jane joined the American Red Cross and was assigned to an Army hospital in New Orleans. Following additional training, she was sent to Hawaii, where she found herself at Pearl Harbor during the Japanese attack on December 7, 1941. Jane later recalled the chaos of that terrible day and the extraordinary bravery of the wounded sailors, Marines, and soldiers brought in for treatment. With many hospital personnel away on weekend passes or leave, the remaining medical staff faced overwhelming numbers of casualties. Jane and her fellow nurses worked tirelessly, doing everything possible to save lives and comfort the wounded. Her dedication did not end at Pearl Harbor. Jane continued her nursing career as a head nurse at several hospitals while her husband's military assignments took the family across the country. She passed away in 1968 at just 50 years of age. Her story reminds us that service and sacrifice are not limited to those carrying weapons into battle.

The family's military tradition continued with their son, **Charles Jackson Bonney, Jr.**, a fellow member of VFW Post 6287. After graduating from high school in 1965, Charles enlisted in the United States Marine Corps in January 1966. By October of that same year, he was serving in Vietnam with the 3rd Marine Division. During his deployment, Charles served in I Corps, including Da Nang, Phu Bai, Hue, Dong Ha, and the A Shau Valley. These areas witnessed some of the Vietnam War's most difficult and dangerous fighting. His service required the determination and resilience for which the United States Marine Corps is known. Just days before completing his 13-month tour, Charles was sent back to the United States on emergency leave. He attained the rank of corporal and received an honorable discharge in January 1968. His military decorations include the Vietnam Campaign Medal, Vietnam Service Medal, Republic of Vietnam Cross of Gallantry with Palm (unit and individual awards), U.S. Navy Presidential Unit Citation, and National Defense Service Medal. These honors reflect both his personal service and the distinguished accomplishments of the units with which he served. Charles continued his commitment to fellow veterans long after leaving the Marine Corps. He joined VFW Post 424 in Tampa in 1981 and transferred to VFW Memorial Post 6287 in Ruskin in 2013. During the 2016–2017 year, he served as our Post Commander, earning All-State recognition for his leadership.

The Bonney family's story is especially meaningful because it represents three different forms of service: a soldier gathering vital intelligence during World War II and serving again in Korea, a nurse caring for the wounded at Pearl Harbor, and a Marine serving his country in Vietnam. Though their experiences were different, they shared the same commitment to something greater than themselves.

We are proud to recognize Charles Bonney, Jr., and honor the memory of his parents, Charles Sr. and Jane, as part of our Honoring Our Heroes series. Their family's legacy is a powerful reminder that patriotism is demonstrated not simply through words, but through a lifetime of service, sacrifice, and dedication.

The next time you see Charles around the Post, please take a moment to thank him for his service—and for sharing his family's remarkable history with us.
